

CERTIFICATE

Directive 97/23/EC

The Notified Body for Pressure Equipment ("Benannte Stelle für Druckgeräte") of
DEKRA Testing & Inspection GmbH herewith certifies that the company

SISTAG Absperrtechnik
Alte Kantonstr. 7
CH-6274 Eschenbach

at the place of manufacture

SISTAG Absperrtechnik
Alte Kantonstr. 7
CH-6274 Eschenbach

has established a system for

"Full Quality Assurance"

in compliance with Module H for the design, manufacture and buy-off of pressure equipment,
according to Annex III of Directive 97/23/EC. The manufacturer is authorised to label these
products with the following marking.

CE 0685

Proof that the requirements are met was given within the scope of the certification audit.

This certificate is valid only in combination with the test report
20090317-TI04-11063-172101306-001-400053.

Identification no. of
the Notified Body: 0685

Date of the
first certification: 10.01.2006

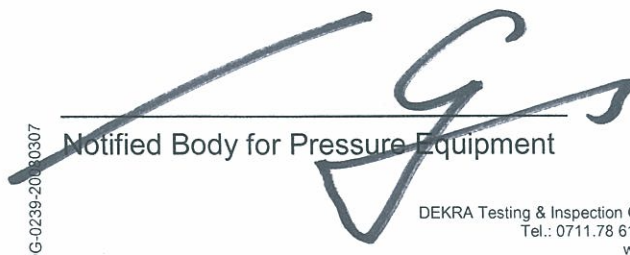

Date of the
last certification: 17.03.2009

This certificate
is valid until: 16.03.2012

Certificate no.: Z-D-011-07513/09

This certificate is only valid on the condition that the quality assurance system **passes annual monitoring**, carried out by a
Notified Body.

Stuttgart, 20.03.2009
